Enter the Wey Valley Championship tournament for a chance to be considered for the **Wey Valley - Surrey teams** next year, and play for the prizes on offer: the **U8 and U10 Championship Cups and U7 and U9 Section Cups** (all to hold for one year)!

The Wey Valley Championship event offers an opportunity for all U7-U10 players, as all competitors are eligible for selection for next year's Surrey Under 9/11/Girls teams which will play in the English Primary Schools National Team Competition next year. For more information about the Wey Valley team, visit [www.weyvalleychess.org.uk](http://www.weyvalleychess.org.uk).

There is also an opportunity for older players and adults to compete in a Major section, the results of which will be sent to the ECF for grading. Major players should not have an ECF grade already over 150. Other sections will be graded using the Wey Valley ranking system. There will be prizes for everyone who scores more than half points, that is 3 out of 5 or more. You will win a Wey Valley rosette or a medal. The winners of U7-U10 sections will receive a trophy to hold for one year. The winner of the Major section may keep their trophy.

If you would like help in improving your chess, then sign up for training from one of our stronger juniors who will be there to help your write down your moves and then to give you advice, (especially about games you have lost!) to help you win next time.

There will be a bookstall at this event and numbers depending there will be catering provided by Clare Skeggs.
